To whom it may concern;

I was lucky to meet Rick Zion of Git R Done Pest Control last fall. We had a growing prairie dog problem here at my plant on Alton Way. Rick did an excellent job of getting rid of the problem at a low cost to us. I have had extensive experience trying to control prairie dogs and Rick's methods are as effective and efficient as any I have seen. I highly recommend Rick. Feel free to call me if I can answer any other questions or concerns.
